Micro-Internships

Students from all majors can execute professional assignments to build and demonstrate skills while exploring a variety of career paths.

[APPLY FOR MICRO-INTERNSHIPS](#) ↻

[POST MICRO-INTERNSHIPS](#) ↻

3 EASY STEPS

Register

Create an account, where you can upload information about your company including location and logo

Post an Internship

fill out information about the position including pay, project start/end date, estimated hours and a description of the work tasks.

Select HU Students

Finally, if you want this position to be specific to Howard students, you can add Howard in the affiliation section

MICRO INTERNSHIP OPPORTUNITIES

The Micro-Internship Program allows you to connect with current students and recent grads through paid, professional projects that generally range from 5-40 hours of work and can usually be completed remotely. These projects are similar to assignments completed during a typical internship or first job, and allow students the opportunity to gain “real world” experience that they can showcase on their resume and leverage to obtain a future opportunity.
