

Explore career paths. Build your skill set. Get paid.

Work on short-term projects with local companies in Kansas and beyond through the Kansas Micro-Internship program.

Micro-Internships help you demonstrate your skills, explore career paths, and develop your professional network—all without leaving the state.

These paid opportunities take 10-40 hours to complete, are usually remote, and kick off right away.

Example project titles:

- **Market Research**
- **Content Creation**
- **Social Media Calendar**
- **Diversity Best Practices**
- **Website Updates**
